

'The Big Chester Wine Quiz' is a combined wine tasting and general knowledge quiz hosted by Cantina Caputo and Zebra Marketing & Communications. This event is a fun opportunity to team build and an excellent chance to network with businesses within Chester and the local area, while testing your wine expertise and general knowledge.

We would like to offer you the opportunity to profile your company at our event and we have designed a number of sponsorship packages and opportunities to help you sparkle.

If you are interested in any of these packages, would like to discuss the options in more detail or would like to discuss tailoring your own sponsorship package, please do not hesitate to contact Clara Hughes on 07702 736763, clara@zebra-comms.co.uk or Paul Caputo on 07920 062127, info@cantinacaputo.com

Proceeds raised from the raffle and sale of Cantina Caputo wine on the night will go to locally-based charity, Empowering Youth Foundation (EYF). EYF teaches life skills to youth through the medium of sport.
